Three individuals who have acting and singing experience will direct the play. Our choreographer is an accomplished dancer and dance teacher for many musical plays.

We are looking for a variety of actors to sing and dance to make this Christmas show a success! Everyone will be required to sing either with the group or solo depending on your part. Because this show is a large cast, it is important that you understand the commitment you will have to the show as well as to the other actors. Please see the application for further commitment details of this show.
